THE CON/DEM COALITION'S
UNFAIR AND UNNECESSARY
SPENDING CUTS

SAY YES To
SENSIBLE AND FAIR
ALTERNATIVES

- 
- Crackdown on tax dodgers
 - End bankers bonuses
 - Introduce a Robin Hood tax

JOBS • GROWTH • JUSTICE

Thousands of jobs are being lost and public services cut in the North West. Cutting spending on our public services also has a knock-on effect on private jobs. Throwing people onto the dole queue is no way to get Britain back to work. The Coalition Government's cuts in services are unfair and unnecessary. The most vulnerable are paying the price for the banker's recession.

Here is the TUC's alternative:

- **Crackdown on tax dodgers who cost us £120 billion**
- **Stop bankers bonuses – they started this recession**
- **Raise billions through a tiny tax on financial deals: a 'Robin Hood' tax**
- **End the privatisation of public services**

Policies for new jobs and green growth will get our economy moving again.
Support sensible and fair alternatives to the Coalition's cuts.
